

### Farming in Protected Landscapes Programme Year 5, 2025/26

	Location	Business name	Total project cost	FiPL grant awarded	Project start date	Project end date	Description
1	Blakeney Harbour	Norfolk Seaweed Ltd	£4,076.50	£2,445.48	02/04/24	18/04/25	The purchase of native seed oysters and the purchase and installation of twelve new trestles where the natives will be farmed. Native oysters for water improvement in the Intertidal zone of Blakeney Harbour. The oysters will grow in situ for 4-5yrs until they have reached maturity. As they grow the capacity to filter water will increase.
2	River Mun Catchment (Northrepps to Mundesley)	North Norfolk Coastal Farmers Group Ltd	£19,230.00	£19,230.00	01/09/25	31/03/26	'Connected corridors', a collaborative project with 10 farmers to create 13,73ha of wildflower rich grassland corridor within the catchment of the River Mun. Funded at the equivalent rate to Defra CS FM2 <100%.
3	Northwest Norfolk	North Norfolk Coastal Farmers Group Ltd	£12,500.00	£12,500.00	03/09/25	31/03/26	Healthy Hedgerows & Healthy Bees. a series of educational workshops and support to increase engagement with farmers and communities.
4	Northgate Hall Farm, Warham.	O Vaughan Jones	£36,000.00	£36,000.00	01/09/25	31/03/26	Establishing 20ha of high diversity locally sourced wildflower seed & 20ha of tall herb mix that provides ranker vegetation, this is also locally sourced. (This project connects

							the landscape with 30ha that were sown in the spring 2025). Funded at the equivalent rate to Defra CS FM2 <100%.
5	Morston	Sustainable Work Around Morston Pond (SWAMP)	£500.00	£500.00	01/09/25	01/09/25	A one-day training workshop on the management and safe removal of non-native aquatic plants, focussing on Crassula helmsii with talks by a non-native species expert and a local conservation contractor.
6	Muckleborough	Norfolk Deer Management	£4,295.00	£2,577.00	01/08/25	31/08/25	The purchase of a professional deer chiller to cull smaller deer and store the carcasses in a more efficient manner, decreasing the damage caused by deer in woods on adjacent SSSIs (Kelling Heath and North Norfolk Coastal at Salhouse) and arable crops within North Norfolk.
7	North Norfolk Coast (The Wash to Stiffkey).	North Norfolk Coastal Farmers Group Ltd	£36,141.03	£28,912.82	01/09/25	31/03/26	Purchase of mobile grazing equipment to loan out to new graziers and establishing of a career pathway for trainee graziers.
8	Felbrigg & Roughton	North Norfolk Deer Management	£9,103.99	£5,462.39	31/10/25	31/03/206	Equipment to support deer management on farmland in Roughton and Felbrigg Parishes. (In collaboration with the Norfolk Deer Strategy and 5 other deer stalkers)
9	Salhouse	Kelvin Bishop (Sole trader)	£1,468.20	£1,174.56	27/10/25	01/12/25	Purchase of a 45" cutting bar for an existing BCS mower to take on the restoration of neglected reedbed within the Norfolk Coast Protected Landscape at Salhouse.
10	Sedgeford	Sedgeford Historical & Archaeological Research Project (SHARP)	£44,012.38	£44,012.38	01/10/25	31/03/26	The project involved a refit of SHARP's education hut with new display cases, storage capacity and interactive displays to increase public heritage engagement with the site.

11	Holt	Old Rectory Farm	£48,187.24	£48,187.24	15/12/25	28/02/26	The purchase of a bespoke mobile shepherd's hut classroom on the farm that will provide an all-weather, inclusive space for school groups and nature workshops. The hut increases the farm's educational offer, allowing for year-round experiences that engage people with farming, food and the environment.
12	Langham	Friends of Langham Dome	£5,810.82	£4,746.64	01/03/26	10/03/26	Installed a new post and rail fence along the boundary separating the Dome from open fields grazed by sheep to allow visitors to enjoy the site safely. A 12ft field gate was also installed so that visitors can move freely between the dome site and associated WW2 airfield on open days.
13	Holt	Natural Surroundings Ltd	£2,244.80	£1,346.88	01/03/26	31/03/26	The purchase a lawn mower, cow horn brush-cutter with blade and battery-operated hedge trimmer to manage 1.2ha of semi-natural wet meadow for biodiversity and public access.
14	Northrepps	Forest Park	£164,000.00	£75,000.00	11/03/24	01/05/25	Enhanced and new access & Interpretation at Forest Park. To utilise trust land to develop a planned walk that will be some 3.91 kilometres. Starting in Overstand and passing through trust lands in some of the region's historic landmarks.  *This multi-year project was approved in Year 3 with funding from across Years 4 and 5 too.
				*This column refers to the amount of FiPL grant offered to the project. The grant amount			

				claimed by the project on completion may be less than this figure.
